 SwanseaMedicine

"I chose to study Biochemistry at Swansea because it has 100% employability – and I really wanted to study a degree that would make me employable. Swansea's Pathway to Medicine gives you everything you need to be a successful medicine applicant – anywhere across the UK. Swansea is also a great place to study. The people are so friendly and the beach is literally two minutes away."

Ross Davey
Medical Biochemistry Student

"I decided to apply for Medicine in Swansea because I really enjoyed my three years here and loved the idea of staying longer. Swansea is one of the best Medical Schools in the UK."

Alice Arvidsson
Biochemistry Graduate
Graduate Entry Medicine Student

"I didn't get into Medicine the first time because of my grades. I came to Swansea through clearing to study biochemistry at undergraduate level and now I'm on my way to becoming a doctor through the Graduate Entry Medicine course."

Alex Ruddy
Biochemistry Graduate
